Prof. Sophia Jordán Wallace selected Western Political Science Assoc. Field Editor for Race, Ethnicity, and Immigration at Political Research Quarterly

Sophia Jordán Wallace has been named the next Field Editor for Race, Ethnicity, and Immigration at Political Research Quarterly, the journal of the Western Political Science Association. Her term will start in July 2018. This is an important role that will elevate the status of scholarship on race and ethnicity politics in the discipline as well as the prominence of our REP faculty group (including WISIR) and graduate program at UW.
