

B&B Strategies Internship Program

B&B Strategies is a political consulting firm that works across Washington State to elect Democratic candidates, promote progressive issues, and build relationships with unions and social welfare groups. B&B specializes in providing hands on service for our clients, accompanied with a complete suite of campaign services that any new or seasoned candidate would need to run a winning campaign. Our staff is committed to building power for underrepresented groups through leadership development and campaign support.

Our internship program is designed to provide practical, hands on experience for people who are interested in developing their campaign skills and building connections in Washington State politics.

Interns can expect to work on a variety of projects including but not limited to:

- Opposition Research
- Data Entry
- Accounting and Compliance
- Policy Research and Development
- Candidate and Media Communications
- Volunteer Recruitment
- Social Media Engagement
- Field Strategy
- Schedule Management
- Event Organizing

Prior campaign experience or study in a relevant field are not required, but we strongly encourage those with an interest in politics and organizing to apply. Because we are working on progressive causes and democratic campaigns we request that only people with similar political views and values apply.

Internships are unpaid but eligible for college credit through agreement with your academic department. Interns can expect to work about 20 hours per week. Hours are flexible and we are happy to accommodate your work, school, and life schedule within reason.

This internship is available statewide, however we are targeting King, Snohomish, Thurston, Clark, Pierce, Pend Oreille, and Spokane Counties.

Please email a resume and cover letter to garrett@bandbstrategies.com.
